Work Experience

Front-end Developer .... Feb 2019 - Present
NTNUI Sprint

I am volunteering to implement a membership system for NTNUI's 13.000 members. Here I am working with technologies such as Vue.js, Vuex, Node, SASS, TypeScript and Jest.

Lead Full-stack Developer .... Nov 2018 - Present
TIHLDE

I am volunteering to create a member system for the student organization, TIHLDE. As Lead Developer I am responsible for a team of eight developers.
I am using technologies such as React, React Hooks, Django-rest, Python and MySQL

Teaching Assistant - IDATT1001 Programming 1 .... Aug 2019 - Des 2019
NTNU

In the fall semester of 2019, I assisted the professor in training and mentoring the students. I graded the student's exercises, which corresponded to 50% of the total course grade. In the course I taught: Basic to Intermediet Java (OOP), Data modelling(UML, Data Flow) and using and IDE and debugging.

Wordpress Developer .... Sep 2018 - Feb 2019
SL Trondheim 2019

I volunteered to create a webpage for the student organization, Studentlekene. I used Wordpress for most of the development, however I had to work in a restricted workspace. I also developed a live score system for each sport, and I implemented a livestream for the biggest finals.

Education

Bachelor in Computer Engineering .... 2018 - 2021
NTNU

Major in General Studies .... 2014 - 2017
Valler

Achivements

Best 1st class team .... Mar 2019
IDI Open 2019

2x Man of the match .... Jul 2019
Floorball - Asia Cup 2019

Life Philosophy

"I usually describe myself as an engineer; that's basically what I've been doing since I was a kid."
